## ANTI SLAVERY & HUMAN TRAFFICKING POLICY

### 1. INTRODUCTION

The policy aims to ensure that everyone understands the processes relevant to their area of work. The organisation recognises that the health, safety and welfare of employees, sub-contractors and anyone else directly affected by the organisation's operations are of prime importance. The organisation has therefore developed and enforces a dedicated Anti-Slavery and Human Trafficking Policy.

### 2. POLICY STATEMENT

This Statement is made in accordance with section 54(1) of the Modern Slavery Act 2015 and constitutes Unitech Industries Group of Companies slavery and human trafficking statement for the financial year which runs January to December.

Unitech Industries Group are committed to improving our practices to combat slavery and human trafficking.

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain. We have a zero tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

We are also committed to ensuring there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains, consistent with our disclosure obligations under the Modern Slavery Act 2015. We expect the same high standards from all of our contractors, suppliers and other business partners, and as part of our contracting processes, we include specific prohibitions against the use of forced, compulsory or trafficked labour, or anyone held in slavery or servitude, whether adults or children, and we expect that our suppliers will hold their own suppliers to the same high standards.

This policy applies to all persons working for us or on our behalf in any capacity, including employees at all levels, directors, officers, agency workers, seconded workers, trainees, interns, apprentices, contractors, external consultants, third-party representatives and business partners.

### 3. POLICY AIM

This policy has been designed to assist with anti-slavery & human trafficking arrangements involving all Companies who operate within the Unitech Industries Group. These include but are not exhausted to those Companies highlighted above. ## **6. RESPONSIBLE SOURCING - SUPPLIER CODE OF CONDUCT**

The Unitech Industries Group are committed to upholding the Ten Principles surrounding Human Rights, Labour, Environment and Anti-corruption, accepting standards set out in the Ethical Trading Initiative (ET I) Base Code of Labour Standards and pursuant to section 54 of the modern Slavery Act 2015. This means that as far as is reasonably practicable, we will ensure that we operate in ways which meet fundamental responsibilities in these areas. We encourage responsible business practices throughout our supply chain by only engaging with suppliers and sub-contractors, who approach and manage their business in an ethical, social and responsible manner in line with national legislation. To ensure that our objectives are met, we stipulate a supplier code of conduct.

The Unitech Industries Group UK code of conduct outlines minimum supplier standards expected by the Unitech Industries Group and all sister Companies. The code of conduct is a mandatory requirement and all suppliers are expected to adhere to these, with the ability to demonstrate compliance. The Unitech Industries Group will not knowingly engage with any suppliers that operate poor labour practices that breach our code of conduct. We reserve the right to audit suppliers where we consider it necessary.

We encourage all suppliers to communicate an Anti-Slavery and Human Trafficking policy, Ethical Trading & Supplier Code of Conduct across their supply chain, so far as is practically possible.

It will remain the duty of all those involved when tendering for new business and or provisions of services and goods, to check that the Company in question, adheres to Anti-Slavery and Human Trafficking requirements. Copies of any policies received, will be held on record.

### **6.1 Due Diligence Processes and Supplier Adherence**

We have zero tolerance to slavery and human trafficking. To ensure all those in our supply chain and contractors comply with our Values, we have in place a supply chain compliance programme. As part of our initiative to identify and mitigate risk we will be carrying out the following activities during 2017 and beyond:

- Contacting existing suppliers and sub-contractors to ask them to confirm their adherence to our Anti-Slavery Policy.
- Ensuring that new suppliers and sub-contractors undertake to comply with our Antislavery Policy through use of due diligence questionnaires and relevant contractual provisions, with appropriate termination provisions for failure to comply.
- Ensuring that the high-risk areas as identified are kept under regular review to determine whether additional and/or targeted measures are required within our supply chain to combat the risk of slavery and trafficking.
- Ensuring that our whistleblowing procedure is distributed sufficiently to encourage whistleblowing in relation to any identified breaches of our Anti-Slavery Policy.

## **7. COMPLIANCE WITH THE POLICY**
